Claims 1-16 of the application as filed, through clerical word processing error, began on the page at which the description ended, rather than on a new page. The foregoing resubmits claims 1-16 exactly as presented in the application as filed.

A clerical revision has also been made at page 1 of the text to insert an application serial number and filing date that were not available when the present application was originally prepared.

Please charge any fees associated with this submission to Account No. 15-0875 (Owens-Illinois).

Respectfully submitted,

REISING, ETHINGTON, BARNES,
